vs.  
GRAPE TRUNK DISEASES & FLAVESCENCE DOREE

New knowledge and management practices for the control of GTDs and FD in European vineyards: the Winetwork initiative

Aula Magna Università di Padova – CIRVE, Via Dalmasso  
Conegliano – Nov 9th, 2016

- 9h00 Welcome / opening  
Diego Tomasi, Direttore CREA - VITI  
Emilio Celotti, SIVE President  
**Bathélemy Maillard**, Euroquality (F) WINETWORK project manager  
The Winetwork project: objectives, scope, results
- 9h30 **GTD SESSION**
- 9h30 **Vincenzo Mondello**, Florence Fontaine, Université de Reims (F)  
*State of the art of scientific research on GTDs*
- 10h10 **Fanny Prezman**, IFV South- West, FA Winetwork  
*The most popular practices in Europe against GTDs*
- 10h30 **Laura Mugnai**, Dipartimento DISPAA, Università di Firenze  
*Available tools and approaches for GTD control in the vineyard*
- 10h50 Coffee pause
- 11h20 Pedro Reis, **Cecilia Rego**, Instituto Superior de Agronomia, Universidad de Lisboa (P)  
*Use of Biological Control Agents in nurseries*
- 11h40 **Piero Attilio Bianco**, Dipartimento DISAA, Università di Milano  
*Endophyte communities: antagonism and symbiosis. The Italian experience*
- 12h00 Management of GTD problem into practice.  
*Contributions from practitioners: Alessandro Zanutta (Preparatori d'Uva) and Carlo Petrusi (VCR Rauscedo).*  
*Question time; discussion*
- 13h00 Lunch pause
- 14h30 **FD SESSION**
- 14h30 **François-Michel Bernard**, IFV  
*State of the art of scientific research on FDs*
- 15h10 **Maurizio Gily**, SIVE FA North-West  
*The most popular practices in Europe against FDs*
- 15h30 **Elisa Angelini**, CREA Conegliano  
*Results of recovery experiences on Glera variety*
- 15h50 Coffee pause
- 16h20 **Sylvie Malembic-Maher**, UMR BFP, INRA Bordeaux (F)  
*FD Phytoplasma genetic diversity and practical benefits*
- 16h40 **Valerio Mazzoni**, Dip. Agroecosist. FEM San Michele all'Adige  
*Pest insect management by vibrational interference*
- 17h00 Management of FD problem into practice  
*Contributions from practitioners: Lorenzo Mocchiutti (Vignai da Duline), Mirko Trevisi (Collis Veneto Wine Group) and Renzo Caobelli (agronomist consultant)*  
*Question time. Discussion.*
